Dear Customer,

Could you please complete and check that all your details are correct, sign and return the attached Work Authority form, so that work can proceed on the vessel as discussed. Included on the form is a description of work that has been requested to be carried out. Please list on the sheet if any further work is required, plus please also supply any service history that will help us to ascertain what service items may need attention. Before the works can be booked in, a signed contract with all customer details is required to be filled out. This is a requirement for the Ship Repairers Liability Insurance.

If extra faults are found during the service then you will be contacted before these repairs are carried out to discuss and authorise the extra costs.

Payment terms: Payment is due on completion of the job by way of cash or direct bank deposit to: Westpac Bank Acct: **03-1503-0429647-000** in the name of **Dave Gutry Auto and Marine Ltd**.

Please return via email or fax once signed.

Thank you for your custom and assistance in this matter.

Regards
Dave Gutry
